

# BrainTech 2019

March 4-5,  
Tel Aviv, Israel

4th International  
Brain Technology Conference

**MINDING THE FUTURE**

**Don't miss all this...**

**BrainTech 2019,**  
**the premier BrainTech collaboration event,**  
will bring together the major players and key stakeholders in the neurotechnology ecosphere, to explore the latest developments and opportunities in brain research and technologies from Israel and around the world.

# Our People

## BrainTech 2019 Conference Co-Chairs

**Dr. Rafi Gidron**

Founder and Chairman,  
Israel Brain Technologies

**Miri Polachek**

Founding Executive Director, Israel Brain  
Technologies (ex-officio) CEO, Joy Ventures

## BrainTech 2019 Steering Committee

**Prof. Hagai Bergman**

Professor of Physiology, The  
Hebrew university of Jerusalem;  
President, Israel society for  
Neuroscience (ISFN)

**Anya Eldan**

VP, Israel Innovation Authority -  
StartUp Division

**Amir Konigsberg**

Co-Founder & Chief Executive  
Officer, Twiggle

**Dr. Oren Shriki**

Director of MA studies and head  
of BA track in computer science  
Ben-Gurion University of the  
Negev The Department of Brain  
and Cognitive Sciences

**Dr. Melanie Walker**

Clinical Associate Professor of  
Neurology and Neurosurgery,  
University of Washington

# Who Attends?

Over 750 attendees

- Early stage projects
- Braintech startups
- Entrepreneurs interested in the braintech revolution
- Policymakers impacting research and healthcare technology
- Industry R&D and investment executives
- VC funds and angel investors
- Life science and technology industry veterans and advisors
- Neuroscience faculty and students
- Clinicians: neurologists, neurosurgeons, psychiatrists

# Why Join?

- Scout emerging and game-changing brain technologies
- Access to the most innovative in the neurotechnology community; senior execs, multinationals, entrepreneurs, startups, investors mentors, government leaders and world-renowned neuroscientists
- Network, explore new partnerships and foster new collaborations
- Raise your specific challenge for discussion with science and industry experts

## What else?

- World renowned keynote lecturers and fascinating lectures, debates and panels
- An innovative brain technology exhibition, tech demonstrations and Startup Pavilion
- A Startup Competition, including a pitch session of the finalist teams on the main stage
- 1:1 pre-scheduled meetings to initiate dozens of cooperation and business opportunities

# BrainTech 2019

March 4-5,  
Tel Aviv, Israel

## Premium Package

US\$ 1700 includes

**Registration**  
to BrainTech 2019  
Conference

**Invitation**  
to exclusive  
networking reception

**3 nights'**  
**accommodation**  
at the 5\* David  
Intercontinental  
Tel Aviv

**Professional Tours**  
to visit leading Israeli  
braintech companies  
premises (March 6)

**Pre-arranged delegate access and transfer to**  
**"Our Crowd" Investors Summit**  
taking place in Jerusalem (March 7)  
<https://summit.ourcrowd.com/>

**IBT** ISRAEL  
BRAIN  
TECHNOLOGIES

# The IBT Mission

**Envisioned by former President Shimon Peres**, Israel Brain Technologies (IBT) is a non-profit organization whose mission is to accelerate the commercialization of Israel's brain-related innovation and establish Israel as a leading international brain technology hub, by:

- Supporting brain technology development
- Creating & fostering a community of entrepreneurs, innovators and investors around neurotechnology
- Attracting key stakeholders to partner and support braintech in Israel
- Serving as an authority and knowledge center for the braintech ecosystem.

# Join us there to see and be seen!

Don't miss this unique opportunity to connect and network with entrepreneurs, investors, multinational executives, scientists, clinicians and other key stakeholders in the fields of innovation and commercialization of brain technologies and related research at BrainTech 2019!
